

SAX MOTOR CO.

APPRAISAL

Dear <Sample>,

Due to current market conditions, we are in need of <<<Make>>> <<<Models>>> and your vehicle could be worth more than you think! Right now we are offering to purchase your vehicle at record high values, but this offer may not last much longer.

This is why we are reaching out to you so you can take advantage of this opportunity. Due to current market conditions, we are in need of pre-owned inventory and your vehicle could be worth more than you think!

WE ARE LOOKING TO PURCHASE QUALITY PRE-OWNED VEHICLES.

We are willing to make current owners an aggressive offer for your vehicle. There is no purchase necessary! If you have another vehicle you may be interested in selling, let us know.

WE JUST NEED 20 MINUTES OF YOUR TIME TO MAKE YOU AN OFFER!

No pressure, no hassles and no obligation...when you bring us your vehicle, we will tell you what your car is worth and you will have 3 clear cut options:

1 TAKE THE CASH OFFER

2 TRADE IN FOR A NEW VEHICLE

3 OR SIMPLY WALK AWAY

Bring this letter and your vehicle to our dealership for a visual inspection.

Sincerely,

Jared Steiner
